DR. GOLDSTEIN WILL RETURN MAR 26, AND WILL REMAIN 3 DAYS.

Parents of all children whose eyes are in any way effected should take them to Dr. Goldstein and have them examined. Too much care cannot be taken in this particular, as any neglect of parents may lead to most serious consequences in after life. If the eyes of a child need glasses the doctor can determine it and adjust such glasses as will be most apt to preserve and increase their strength. The Doctor has been giving satisfaction for many years, and we recomend him as worthy the patronage of the public. Those suffering with their eyes should call on him and if they don't get relief it will not cost them a cent. He can adjust to any eyes and any age.
